

The history of our enterprise dates back as far as the advanced ancient civilizations.

Today GHT is one of the largest providers of specialized services worldwide. The group is an association of a number of independent units. Each unit is accountable for its profit and loss.

The headquarters are situated in the MMR (Mumbai Metropolitan Region). We offer a very wide variety of services. For example, we have expertise in mass producing consumer goods but we can also provide emotional or interpersonal services. In particular, GHT are frontrunners in the fields of finding employment and organising travel for their clients.

Purchase shares

In 2014, business improved considerably within the group, especially in the new industrial nations. The GHT customer base in India alone is more than 14 million. Presently, in China there are approximately 2.9 million customers and 2.1 million in Pakistan. Worldwide we count more than a staggering 36 million clients.

Are you looking for an opportunity to make more money? We are offering the opportunity to participate in this increasingly profitable branch of business. Business is still increasing steadily and return of investment is guaranteed and will be high.
